CIVIL ACTION

NO. 04cv11550-RCL

AFFIDAVIT OF FREDERICK
GLEASON

I, Frederick Gleason, state the following.

1. I live and work at 114 Commonwealth Avenue, Boston, Massachusetts. That address is within the Back Bay Historic District.
2. I am a registered architect. Both as a Back Bay resident and as an architect, preservation of historic buildings has been a particular concern to me. My community work in historic preservation has included drafting back-of-building standards for Back Bay buildings.
3. At this time, I see the Arlington Street Church several times a week while walking, and about once a week while driving.
4. The obstruction of the Boylston Street view of the Arlington Street Church by a steel and glass structure enclosing an elevator would disrupt and

diminish my view of this historic building, a view which has aesthetic importance to me.
